The Glacier-Waterton International Peace Park Hamfest Directors want you to know how excited we are that you are bringing your children to this event. To make this a great experience for your children too, we need your ideas and energy. So please e-mail ideas to the directors or include them on your registration. Also, include any costs, time needed, and what day(s) you propose this activity, *etc.* The directors, as time and budget permits, will be happy to help facilitate these activities. However, please remember the Glacier-Waterton International Peace Park Hamfest Directors and it's members do not provide day care or baby-sitting services. Please plan to participate in your child's activities.

As with all activities, if no one volunteers to coordinate an activity that activity will be canceled.
